

GRAINGER®

FOR THE ONES WHO GET IT DONE

The Corps Cooperative

Grainger, National IPA and The Corps Cooperative are proud to offer TCC members a broad portfolio of products resulting in streamlined, cost-effective solutions for Maintenance, Repair and Operational supplies, materials and accessories.

About National IPA

National IPA is a national cooperative purchasing organization dedicated to serving public agencies and educational institutions nationwide. All contracts in National IPA's comprehensive portfolio have been competitively solicited, evaluated and awarded by a government entity serving in the lead agency role.

Contract Services and Benefits

Take advantage of these Grainger services to help reduce costs, consolidate your purchases and improve efficiencies:

- KeepStock® - A Managed Inventory Solution
- One-stop purchasing
- Local stocking
- On-hand inventory reduction
- Broad assortment of supplies
- Same-day shipping*
- 24/7 online ordering on grainger.com/tcpcn
- Dedicated Grainger Government sales team
- No minimum order limits
- After-Hours Emergency Service - Call 1-800-CALL-WWG (1-800-225-5994) to open a branch anytime - even nights and weekends. (Free service on your Grainger/National IPA contract)

In-stock orders placed directly with a branch or on Grainger.com by 5pm local time Monday through Friday ship the same day within the Continental United States.

**Inbound shipping method is UPS. There is no charge for standard purchases. See contract for details.
